

## **INTRASOFT celebrates new EIB win**

**Luxembourg, July 14, 2020 - INTRASOFT International**, the global ICT company has been awarded a major new contract with the European Investment Bank (EIB) covering the provision of IT services ranging from maintenance and support to development and implementation related to databases and IT platform services.

As member of the Auxilium consortium, over the course of the next four years, INTRASOFT will provide expertise to cover database and applications support services related to the technologies and products used by EIB, both server and client tools on a diverse array of technologies. INTRASOFT will support the EIB through the placement of expert on-site staff in Luxembourg as well as through its extensive professional services divisions.

**Mr. Alexandros Manos, Managing Director of INTRASOFT International** commented: "The European Investment Bank has been a valued customer for years and continuing this relationship is of fundamental importance to INTRASOFT. It is through long-term relationships with our client base that we maximize value, build trust and help our customers shape and reach their objectives."

The European Investment Bank is the lending arm of the European Union. It is the biggest multilateral financial institution in the world and one of the largest providers of climate finance. The EIB help the economy, create jobs, promote equality and improve lives for EU citizens and for people in developing countries.
