++ New projects for INTRACOM IT SERVICES Group in Middle East ++

Peania, 19 November 2009 - INTRACOM IT SERVICES Group has been awarded three new projects in the M. East, through its subsidiary INTRACOM IT SERVICES Middle East & Africa (former INTRACOM Jordan), expanding thus further the Group's significant activity in the region.

INTRACOM IT SERVICES Middle East & Africa has been awarded a project to implement an ORACLE Human Resources Management System (HRMS) for the Arab Bank Plc. Arab Bank Plc is based in Amman , Jordan and has a network of 500 branches spanning in 30 countries in 5 continents. The first phase of the project has a budget of 1.5 € mln. and is planned for completion on February 2010.

In addition, the company will implement, in collaboration with International Golden Group (IGG), ORACLE E-Business Suite Financials for the United Arab Emirates Armed Force General Headquarter. The project budget is 1 € mln. and is planned for completion on March 2010.

Finally, INTRACOM IT SERVICES Middle East & Africa has been awarded by Asia Cell, the only mobile telecommunications operator that provides full coverage in Iraq , a data storage project of € 2 mln., to be completed in December 2009.

Mr. Nikolaos Labroukos, dep. Group CEO comments: «These projects verify that the M. East territory is of strategic importance to INTRACOM IT SERVICES Group, and demonstrate the dynamic presence and growth of INTRACOM IT SERVICES Middle East & Africa. We plan to enforce and further enhance our activity in the region, as part of the international activity of our Group».
