PRESS RELEASE

New Support Contract from NATO to IDE

Koropi, Greece, July 19th, 2017: After international competition IDE (INTRACOM Defense Electronics) signed a 3 + 2 years frame contract with NSPA (NATO Support and Procurement Agency). Under this contract IDE will provide NATO member-nations depot level maintenance (DLM), overhaul, modifications, provision of spare parts and repair material, and other associated services to support the maintenance of PATRIOT Ground Support Equipment (GSE) assemblies and items.

ñWe are very honored that NSPA awards a contract to IDE for the maintenance and support of a significant NATO advanced system. We believe that our capabilities could be further utilized for the benefits of the economy of Greece and the Hellenic Armed Forcesòstated Mr. George Troullinos, CEO of IDE.
