INTRASOFT International and PLANET establish new European joint venture

Luxembourg, 20 February 2017 - **INTRASOFT International**, a global ICT company, and **PLANET S.A.** a leading Management Consulting company have come together to establish a joint venture focused on delivering high value management consulting services to the European Institutions.

In January 2017, VALEU Consulting "*Valeu*" [pronounced as value: /ˈvælju:/] was legally established in Belgium. The new company will leverage INTRASOFT's European Institutions credentials and PLANET's extensive portfolio of studies and consulting services.

VALEU provides services in all market sectors and continuously explores new service areas. VALEU Consulting mainly offers strategic and policy studies and evaluations, impact assessment, and implementation support.

Both PLANET S.A. and INTRASOFT International are fully committed to VALEU's success by providing their support to the company's management, as well as all necessary resources to ensure VALEU takes full advantage of its parents' significant and broad skill sets across countries, markets and sectors.
